PICKLEBALL LADDER LEAGUES

AGES 16+ Ladder leagues are organized leagues in which players with similar skills compete against each other in a competitive, structured weekly format. Think of a pickleball

“ladder” as a graphical representation of a player’s ranking (by skill and performance) over a period of time. The rungs on the ladder represent a player’s current position (ranking) on the ladder relative to the other players. The top rung of the ladder will be the individual currently ranked the highest (the best winning percentage) and the bottom rung will be the lowest-ranked individual or team. The ultimate goal is to climb the ladder to the highest rung. A complete description is online.

ADAPTIVE RECREATION

THIS PROGRAM IS DESIGNED FOR INDIVIDUALS WITH DISABILITIES, HOWEVER, EVERYONE IS WELCOME.

PROGRAMS & SERVICES

Boise Parks and Recreation's AdVenture Program provides a wide range of programs for youth and adults with disabilities. We also offer inclusion services in which modifications may be provided so that an individual with a disability can fully participate in Boise Parks and Recreation's programs. Services such as sign language interpreters, additional staff, adaptive equipment, etc. may be provided with a minimum of three or more weeks advanced notice of the program start date with no cost to the participant. To inquire about inclusion services, please contact Emily Kovarik at 208-608-7687 (TTY: 1-800-377-3529) or ekovarik@cityofboise.org. Reasonable modifications are based on individuals' needs and abilities.

PARTICIPANT PERSONAL NEEDS

The adaptive recreation staff and volunteers provide leadership for the program but are unable to provide assistance with self-care needs (feeding, toileting assistance, etc.). Care providers should accompany participants who need personal care. Participants who have behavioral issues may be asked to participate with an aide in attendance. Please let us know upon registration if you will be bringing your own aide as fees for aides may be waived or may vary depending on the activity. Participants should enjoy meeting new people, be able to function in a group setting and need to be able to adjust to new routines and environments. Please call 208-608-7680 to learn more.

AGES

Many of our programs welcome people under the specified age range. However, an adult may need to sign up with them. Please call 208-608-7680 to learn more.

FINANCIAL ASSISTANCE

Boise Parks and Recreation offers financial scholarships to qualified youth, seniors and adults with disabilities. To find out if you qualify to receive a scholarship, which will help pay for a class or activity, apply in advance at Fort Boise Community Center.

DONATIONS WELCOME

We rely on donations so that we can offer scholarships to adults with disabilities who have financial difficulties. Please send tax-deductible donations to the AdVenture Heritage Fund, Boise Parks and Recreation, 700 Robbins Road, Boise, Idaho 83702. Thank you, your support is greatly appreciated!

VOLUNTEER ★

If you are age 18 and older, the AdVenture program could use your help! Please consider volunteering, it is a great way to give back to the community and someone who needs a hand. FIELD GUIDE

To Boise's Birds

Birds are found in nearly every city setting, from urban micro parks to the sprawling foothills that border our northeastern edge. Birds visit backyard feeders, perch in low shrubs and on tall structures, swim in our river, lakes and ponds, nest in our trees and soar overhead. A variety of Boise's habitats attract and support hundreds of species, and we invite you to explore some of the area's most common birds.

The Field Guide to Boise's Birds is available for free online. Printed versions can be purchased at the Boise Parks and Recreation Administration Office for \$8 plus tax.

Have a love of the outdoors and wondering what to do with your spare time? Boise Parks and Recreation's volunteer programs will get you out communing with nature and meeting people with similar interests. Beginning in March, volunteers will head out in force to help care for our local parks and open spaces, and we invite you to be part of the effort.

EDUCATION

Idaho Master Naturalists

The City of Trees Idaho Master Naturalist chapter is now seeking participants for its 2025 class. The Idaho Master Naturalist program is an adult environmental education and volunteer program, that engages participants in the stewardship of Idaho's natural world. Participants certify as an Idaho Master Naturalist by completing 40 hours of education and 40 hours of volunteer service with the City of Trees chapter. Classes generally take place 9AM-12PM on the second and fourth Wednesday each month, from March – October. There is a \$100 participation fee.

VOLUNTEER OPPORTUNITIES

Tree Wrapping, Tuesdays, November – March, 9-11 a.m.

The Boise River riparian corridor provides critical habitat for a wide range of species including Bald eagles. Black cottonwoods and willows are critical components of this habitat and unfortunately are also a favorite food and construction resource for the American beaver. Boise Parks and Recreation manages approximately 25 miles of riparian habitat and could use your help in protecting trees from beaver damage by wrapping them with wire.

2025 Tree Stewards, Thursdays; 9-11 a.m.

Do you have a love for trees or simply want to learn more about them? Boise Parks and Recreation is currently seeking participants for its 2025 Tree Steward program. Participants will receive an orientation, during which trained and certified tree care professionals will inform participants on how to identify trees, how trees grow, proper planting techniques, pruning basics, and how to diagnose common tree problems. Participants will then help care for park trees on Thursday mornings through October. Participants who complete 30 hours of service during the year, become certified Tree Stewards.
