

Adaptive Cycling with Boise Parks and Recreation's Adaptive Recreation Program

Boise Parks and Recreation's Adaptive Recreation program called AdVenture offers group bike rides along the Greenbelt during April-October. Participants can use one of our adaptive cycles at no additional cost. See the current group bike ride schedule in the Boise Parks and Recreation Activity Guide at www.cityofboise.org/Adaptive-Recreation.

Not sure which bike will work for you? Please call 208-608-7582 to learn more, register for a bike ride or schedule a bike fitting.
